

Walteria Fun Night and Big Bazaar Friday

The Walteria P.T.A. is holding a fun night and bazaar Friday, Dec. 8, from 7 to 10 p.m. The Walteria P.T.A. members are sewing, sorting and building, getting everything in readiness for the one big family night to be held this Friday evening at the Walteria school grounds and to which the public is cordially invited.

Several merchants of Torrance and Lomita have generously donated merchandise and a preview of the booths makes one think that Santa Claus must have been around already.

Mrs. Art Stagner and Mrs. Vila Britt have a fine collection of toys and gifts which will delight the hearts of young and old. Mrs. John Miner and Mrs. Harold Callahan will sell the ever popular aprons and fancy work. Mrs. Raymond Durio and Mrs. George Powell have the rummage booth, which this year will have an added feature in ladies' new hats, purses and glassware.

Of course, a P.T.A. family fun night must have a fish pond and Roy Palmer and his co-workers have many "fish" ready to stock the "pond." Mrs. J. K. Burchfield will dispense piping hot coffee and delicious doughnuts. Mrs. W. J. Ithe and Mrs. Doris Ithe have mustard and onions on hand for the hot dogs they will sell in their booth. Pounds and pounds of candy made right in the Walteria school cafeteria will be sold in Mrs. Joe Reynolds booth, which will also feature cider and popcorn. A movie theatre, in charge of George P. Thatcher, assisted by Miss Agnes Cannon, fourth grade teacher, will feature a technical color sound film, depicting animal life in its natural habitat, and two comedies in sound.

Walteria P.T.A. had a brand new sound film projector delivered to the student body last October and the proceeds from this fun night and bazaar will be used to clear the remaining indebtedness on the projector. With such a worthy cause as an incentive, Mrs. Roy Palmer, president, as bazaar chairman, and Mrs. B. J. Michels, secretary, as her assistant, have done much planning and work to make this affair a huge success. They invite all to come but warn you to be there when the booths open at 7 o'clock, as sales are brisk when prices are low!

35,000 ORDERS

An average Army ordnance depot in the United States weekly handles approximately 35,000 orders.

Building Permits

Building permits issued by City Engineer G. M. Jain during the month of November reached a total of \$54,150, and brought the annual total to \$625,145. Last November, the building permits had amounted to only \$42,430, but the annual total was \$4,646,723 due to the big General Petroleum project of last year.

Building permits issued during the past week amounted to \$24,400, including six 6-room houses being built by Harold M. Frodsham at 803 Beech ave., 1225 and 1229 Date ave., 1605, 1611 and 1615 Fern ave. Marion Cavallo was given a permit to build a \$400 garage at 1215 Fern ave.

SAFELY DELIVERED

Our armed forces in August received \$2,000,000,000 worth of battle equipment, the Ninth Service Command Ordnance officer declared today at Fort Douglas, Utah.

More people were killed from burns in their homes than were killed in all railroad accidents in the United States last year.

"God the Preserver of Man" will be the subject of the Sunday Lesson-Sermon in all branches of the Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from II Timothy: "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom." In a Bible selection Nehemiah writes: "Thou, even thou, art Lord alone; thou hast made heaven, the heaven of heavens, with all their host, the earth, and all things that are therein, the sea, and all that is therein, and thou preservest them all; and the host of heaven worshippeth thee. . . Thou art the Lord the God who didst choose Abram, and broughtest him forth out of Ur of the Chaldees. . . And didst see the affliction of our fathers in Egypt, and heardest their cry by the Red sea; . . . And thou didst divide the sea before them, so that they went through the midst of the sea on the dry land; . . . Yes, forty years didst thou sustain them in the wilderness, so that they lacked nothing." Mary Baker Eddy says in "Science and Health with Key to the Scriptures," "Whatever enslaves man is opposed to the divine government." "The despotic tendencies, inherent in mortal mind and always germinating in new forms of tyranny, must be rooted out through the action of the divine Mind."
